Media, Photography & Videography Conduct (Terms of Participation)

All players, coaches, umpires, volunteers, staff, contractors, and event participants acknowledge that USAFL events may be recorded, photographed, live streamed, and otherwise captured for media and promotional purposes. By participating in USAFL-sanctioned activities, individuals agree to conduct themselves at all times in a manner consistent with the USAFL's standards of respect, inclusion, and sportsmanship, recognizing that audio and video recording may occur in both on-field and off-field environments, including areas where live microphones are present.

Any behavior, language, or conduct that is inappropriate, offensive, discriminatory, or otherwise contrary to league values, whether captured intentionally or inadvertently through media recording, may be subject to disciplinary review. Participants further acknowledge and agree to comply with USAFL media policies, event signage, and instructions regarding recording practices, and understand that failure to adhere to these standards may result in corrective action, up to and including removal from participation in USAFL activities.
